FORT VANCOUVER REGIONAL LIBRARY DISTRICT

Notes to Financial Statements For the year ended December 31, 2018

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Fort Vancouver Regional Library District is a special purpose governmental entity that provides library services to the general public and is supported primarily through property taxes. The District was founded in 1950 and operates under the provisions of RCW 27.12, the laws of the state of Washington applicable to a library district. The District uses single-entry, cash basis accounting which is a departure from generally accepted accounting principles (GAAP).

The District reports financial activity in accordance with the Cash Basis Budgeting, Accounting and Reporting System (BARS) Manual prescribed by the State Auditor's Office under the authority of Washington State law, Chapter 43.09 RCW. This manual prescribes a financial reporting framework that differs from generally accepted accounting principles (GAAP) in the following manner:

- Financial transactions are recognized on a cash basis of accounting as described below.
- Component units are required to be disclosed, but are not included in the financial statements.
- Government-wide statements, as defined in GAAP, are not presented.
- All funds are presented, rather than a focus on major funds.
- The Schedule of Liabilities is required to be presented with the financial statements as supplementary information.
- Supplementary information required by GAAP is not presented.
- Ending balances are not presented using the classifications defined in GAAP.

A. Fund Accounting

The financial transactions and accounts of the Fort Vancouver Regional Library District are organized on the basis of funds, each of which is considered a separate accounting entity. Each fund is accounted for with a separate set of single-entry accounts that comprises its cash, investments, revenues, and expenditures as appropriate. The District's resources are allocated to and accounted for in individual funds depending on their intended purpose. The following are the fund types used by the District:

Governmental Fund Type

General Fund: This fund is the primary operating fund of the District. It accounts for the financial resources of the District except those required or elected to be accounted for in another fund.

B. Basis of Accounting and Measurement Focus

Financial statements are prepared using the cash basis of accounting and measurement focus. Revenues are recognized when cash is received and expenditures are recognized when paid.

For the year ended December 31, 2018

C. Budget

The Fort Vancouver Regional Library District Board of Trustees adopts an annual appropriated budget for the General Fund. This budget is appropriated at the fund level. The budget constitutes the legal authority for expenditures at that level. Annual appropriations for these funds lapse at the fiscal year end. The annual appropriated budget is adopted on the same basis of accounting as used for financial reporting.

The appropriated and actual expenditures for the legally adopted budget is as follows:

2018

Fund	Final Appropriated Amount	Actual Expenditures	Variance
General	\$ 27,411,726	\$ 25,339,629	\$ 2,072,097

Budgeted amounts are authorized to be transferred between object classes within departments by the Finance Director, however, any revisions that alter the total expenditures of a fund, or that affect salary ranges, hours, or other conditions of employment must be approved by the Fort Vancouver Regional Library District's Board of Trustees (the District's legislative body).

D. Cash

It is the District's policy to invest all temporary cash surpluses. The amount is included on the statement of resources and uses arising from cash transactions as net cash and investments. See Note 2, *Deposits and Investments* for detailed year-end information and data.

E. Collection Materials

Collection materials (books, magazines, videos, electronic resources, etc.) are recorded as operating expenditures when purchased.

F. Capital Assets

Capital assets are assets with an initial individual cost of more than \$10,000 and an estimated useful life in excess of 3 years. Capital assets are long-lived assets of the District and are recorded as expenditures when purchased.

G. Compensated Absences

FORT VANCOUVER REGIONAL LIBRARY DISTRICT
Notes to Financial Statements
For the year ended December 31, 2018

Vacation leave may be accumulated up to 240 hours and is payable upon separation or retirement. Payments are recognized as expenditures when paid.

Sick leave may accumulate indefinitely. Upon separation or retirement, employees with over 10 years of employment will be paid 25% of their balance up to 240 hours. Payments are recognized as expenditures when paid.

Vacation leave and sick leave liabilities are reflected on Schedule 09, the schedule of long-term liabilities. The District's estimated liability for vacation pay benefits on December 31, 2018 is \$569,603 and the estimated liability for sick leave benefits on December 31, 2018 is \$211,107

H. Other Financing Sources or Uses

The District's other uses consist of revenue received from sales of assets.

I. Risk Management

The District purchases insurance from commercial carriers to protect itself against general liability, employee dishonesty and automobile and property damages. The insurance is purchased through Biggs Insurance Services.

The District has had no settlements that exceeded insurance coverage for the past three years.

The District participates in the State of Washington Labor and Industries worker's compensation insurance program, however, management has elected to become self-insured through the Washington State Employment Security Department on a reimbursement basis. No reserve for self-insurance has been established as the potential liability is not considered to be material to the financial statements.

NOTE 2 – DEPOSITS AND INVESTMENTS

The District's deposits are covered by the Federal Deposit Insurance Corporation and/or the Washington Public Deposit Protection Commission as utilized by the Clark County Treasurer's Office.

Fort Vancouver Regional Library District's investments are held by Clark County as its agent in the District's name. The District's cash is invested by the Clark County Treasurer's Office in the Clark County Local Government Investment Pool. Investments in the pool are reported at fair value.

Substantially all District full-time and qualifying part-time employees participate in the following statewide retirement systems administered by the Washington State Department of Retirement Systems (DRS), under cost-sharing, multiple-employer public employee defined contribution retirement plans, PERS 1 and PERS 2/3.

The State Legislature establishes, and amends, laws pertaining to the creation and administration of all public retirement systems.

The Department of Retirement Systems, a department within the primary government of the State of Washington, issues a publicly available comprehensive annual financial report (CAFR) that includes financial statements and required supplementary information for each plan. The DRS CAFR may be obtained by writing to:

Department of Retirement Systems
 Communications Unit

The DRS CAFR may also be downloaded from the DRS website at www.drs.wa.gov.

At June 30, 2018 (the measurement date of the plans), the District's proportionate share of the collective net pension liabilities, as reported on the Schedule 09, was as follows:

NOTE 4 – PROPERTY TAX

The county treasurer acts as an agent to collect property tax levied in the county for all taxing authorities. Collections are distributed (at/after) the end of each month.

Property tax revenues are recognized when cash is received by the District. Delinquent taxes are considered fully collectible because a lien affixes to the property after tax is levied.

Fort Vancouver Regional Library District's regular levy for the year 2018 was \$.3945477326 per \$1,000 as follows:

<u>County</u>	<u>Assessed Valuation</u>	<u>Levy</u>
Clark	\$ 53,076,171,102	\$ 20,941,083
Skamania	1,594,115,380	628,955

Cowlitz	727,484,924	287,027
	<u>\$ 59,000,371,065</u>	<u>\$ 23,278,462</u>

NOTE 5 – Library Capital Facility Areas

Fort Vancouver Regional Library District serves as fiscal agent for Vancouver Library Capital Facility Area and Three Creeks Library Capital Facility Area.

In 1995, The Washington Legislature adopted legislation, codified as Chapter 27.15 RCW, permitting the creation of library capital facility areas (LCFA) for the purpose of financing the construction of library capital facilities (libraries). A LCFA is formed when a library district and a city or town request a county legislative authority to both establish a library capital facility area and submit a ballot proposition to create a LCFA. Once formed, a LCFA may issue general obligation bonds with a super majority (60%) approval of voters in the LCFA and then construct a library capital facility including the building, equipment, collection and other items needed to operate a library with the LCFA.

The District has entered into two such library capital facility areas with Clark County. The LCFAs are independent taxing districts that are separate from the County, the Library District and the City. The District has been designated by interlocal agreements with Clark County to perform specific functions relative to the Capital Facility Areas and serve as administrator of them. The Library District, with assistance from the County Treasurer, is responsible for selecting the underwriter, bond counsel and other consultants necessary for issuance of the Bonds.

FORT VANCOUVER REGIONAL LIBRARY DISTRICT

Notes to Financial Statements

For the year ended December 31, 2018

In 2016 the VLCFA issued \$26,115,000 of general obligation refunding bonds to retire \$28,365,000 of existing 2007 and 2009 series bonds. This refunding was undertaken to reduce total debt service payments over the next 12 years by \$2,955,249. VLCFA will reduce its levy proportionally in ensuing years as the tax burden is reduced over the life of the bonds.

The books, records and financial statements of the Vancouver Library Capital Facility Area and Three Creeks Library Capital Facility Area are available at FVRL's District Headquarters located at 1007 E. Mill Plain Blvd, Vancouver, WA 98663.

The Three Creeks Library Capital Facility exists to collect delinquent taxes. The bonds have been paid off and ownership of the Three Creeks Community Library facility is by Fort Vancouver Regional Library District.

NOTE 6 – Yale Valley Library District

Fort Vancouver Regional Library District serves as fiscal agent for Yale Valley Library District. In May 2003, citizens in the Yale precinct successfully voted to form a partial-county, rural library district. Yale Valley Library District contracts with Fort Vancouver Regional Library District for services.

NOTE 7 – Fort Vancouver Regional Library Foundation

The Fort Vancouver Regional Library Foundation exists to provide assistance and aid in the development, maintenance, promotion, growth and preservation of the Fort Vancouver Regional Library District. Fort Vancouver Regional Library District and the Fort Vancouver Regional Library Foundation have a current agreement entered into on August 21, 2015. The articles of incorporation and the bylaws of the foundation specifically limit the activities of the foundation to projects that support Fort Vancouver Regional Library District. The relationship between the foundation and the library is contractual. The foundation has agreed to solicit and manage donations on behalf of the library in return for administrative support. The Foundation supports programs which complement, but do not supplant, tax-based funding for FVRL.
