

# Educator Library Card

**Welcome!** The educator library card, for educators who live or work within Fort Vancouver Regional Library District, is an option if the limits on the educator's personal library card aren't sufficient for their classroom needs. Use this card to check out materials for classroom use or curriculum support.

## Special provisions for the card include:

- A maximum of 100 checkouts at a time
- Extended loan period of 6 weeks with 2 renewals only
- A maximum of 100 holds
- Expires in one year (can be renewed if requirement is met)
- Not eligible for Interlibrary Loan or Books by Mail services
- Educators (**not schools**) are responsible for items lost or damaged

We appreciate your prompt return or renewal of the checked-out materials. Contact your local library to learn about services and resources for educators.
