

Get started with Library Elf

FAQs

What is Library Elf?

Library Elf is a service that helps busy parents and caregivers keep track of ALL the items a household may have checked out or on hold in one convenient place..

How does it work?

A parent or responsible adult creates an account with Elf online, then adds all of the library card accounts in the household to the Elf account. The Elf account holder can have notices emailed, texted, or sent to online calendars for all of the library materials in the household.

What does it cost?

FVRL is paying the subscription fee for Elf, so you can use it free of charge.

How do I get to the Elf website?

Start at www.fvrl.org and search the website for Library Elf, then click the linked title—or—go directly to <https://www.libraryelf.com/SignUp.aspx?lib=FtVan> to sign up.
