

**BOY SCOUTS OF AMERICA**  
CASCADE PACIFIC COUNCIL

March 20, 2015

To the Friends of the Woodland Library,

As members of Boy Scout Troop 531 and the Chinook District of the Boy Scouts of America, we would like to show our support for building a new Woodland Community Library. In addition, our District Executive, Sharon Kuroda, is a former public school library media specialist. The library has been a crucial source of information for our 105 years of scouting in America. We partner with parents and educators to promote reading and the love of information in our scouts and young people. Cub Scout requirements include visiting a library and obtaining a library card. There are numerous merit badges that Boy Scouts earn which are enhanced through information and resources at libraries. Scouting fosters literacy for a lifetime. Our tag line is "Prepared. For Life."

Sincerely,

David Smith, Committee Chairman
